| Immunogen                | Recombinant Human IL36 gamma/IL-1F9 Protein is produced by E. coli expression system. The target protein is expressed with sequence (Ser18-Asp169) of human Interleukin-36 gamma (Accession NP_062564.1 ). |
| Konjugation              | Unconjugated                                                                                                                                                                                               |
