## Product Datasheet

### ATG16L1, FITC, Rabbit, Polyclonal NBS-ASJ-5MCX45-100

|                          |                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------|
| Artikelname              | ATG16L1, FITC, Rabbit, Polyclonal                                                                 |
| Artikelnummer            | NBS-ASJ-5MCX45-100                                                                                |
| Hersteller Artikelnummer | ASJ-5MCX45-100                                                                                    |
| Alternativnummer         | NBS-ASJ-5MCX45-100                                                                                |
| Hersteller               | Nordic BioSite                                                                                    |
| Wirt                     | Rabbit                                                                                            |
| Kategorie                | Antikörper                                                                                        |
| Applikation              | ELISA, IHC, IP, WB                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                 |
| Immunogen                | Synthetic peptide taken within amino acid region 560-610 on human Autophagy-related protein 16-1. |
| Konjugation              | FITC                                                                                              |
| Produktbeschreibung      | Anti-ATG16L1 antibody (560-610) {FITC}...                                                         |
| Klonalität               | Polyclonal                                                                                        |
| Konzentration            | 0.5 ug/ul                                                                                         |
| NCBI                     | <a href="#">55054</a>                                                                             |
| UniProt                  | <a href="#">Q676U5</a>                                                                            |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Tris/glycine buffer at pH 7.4 containing 0.02% sodium azide as preservative, cryo-protective agents, 0.5% stabilizing protein BSA and 30% glycerol. |
| Target-Kategorie       | ATG16L1                                                                                                                                             |
| Antibody Type          | Primary Antibody                                                                                                                                    |
| Application Verdünnung | ELISA 1:10, 000, IHC 1:50-1:150, IP 1:150, WB 1:500                                                                                                 |
