## Product Datasheet

### TOP2A, Biotin, Rabbit, Polyclonal NBS-ASJ-S2HNDY-100

|                          |                                                                                                                  |
|--------------------------|------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TOP2A, Biotin, Rabbit, Polyclonal                                                                                |
| Artikelnummer            | NBS-ASJ-S2HNDY-100                                                                                               |
| Hersteller Artikelnummer | ASJ-S2HNDY-100                                                                                                   |
| Alternativnummer         | NBS-ASJ-S2HNDY-100                                                                                               |
| Hersteller               | Nordic BioSite                                                                                                   |
| Wirt                     | Rabbit                                                                                                           |
| Kategorie                | Antikörper                                                                                                       |
| Applikation              | ELISA, IP, WB                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                |
| Immunogen                | Synthetic peptide taken within amino acid region 1220-1270 on human DNA topoisomerase (ATP-hydrolysing) protein. |
| Konjugation              | Biotin                                                                                                           |
| Produktbeschreibung      | Anti-TOP2A antibody (1220-1270) {Biotin}...                                                                      |
| Klonalität               | Polyclonal                                                                                                       |
| Konzentration            | 0.54-0.57 ug/ul                                                                                                  |
| NCBI                     | <a href="#">7153</a>                                                                                             |
| UniProt                  | <a href="#">P11388</a>                                                                                           |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Tris/glycine buffer at pH 7.4 containing 0.02% sodium azide as preservative, cryo-protective agents, 0.5% stabilizing protein BSA and 30% glycerol. |
| Target-Kategorie       | TOP2A                                                                                                                                               |
| Antibody Type          | Primary Antibody                                                                                                                                    |
| Application Verdünnung | DB 1:10, 000, ELISA 1:10, 000, IP 1:200, WB 1:500                                                                                                   |
