| Artikelname              | XRCC3 polyclonal antibody, Unconjugated, Rabbit                                                                                                             |
| Artikelnummer            | NBS-BT-BMLLIF-50                                                                                                                                            |
| Hersteller Artikelnummer | BT-BMLLIF-50                                                                                                                                                |
| Alternativnummer         | NBS-BT-BMLLIF-50                                                                                                                                            |
| Hersteller               | Nordic BioSite                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                  |
| Applikation              | IF, IHC, WB                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                           |
| Immunogen                | Recombinant full length Human XRCC3.                                                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                |
| Produktbeschreibung      | XRCC3 polyclonal antibody...                                                                                                                                |
| Molekulargewicht         | ~ 38 kDa                                                                                                                                                    |
| Puffer                   | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                                      |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE). |
| Antibody Type            | Primary Antibody                                                                                                                                            |
