| Artikelname              | CTSK polyclonal antibody, Unconjugated, Rabbit                                                                                                              |
| Artikelnummer            | NBS-BT-CFS50N-100                                                                                                                                           |
| Hersteller Artikelnummer | BT-CFS50N-100                                                                                                                                               |
| Alternativnummer         | NBS-BT-CFS50N-100                                                                                                                                           |
| Hersteller               | Nordic BioSite                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                  |
| Applikation              | WB                                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                       |
| Immunogen                | A synthetic peptide corresponding to residues in Human CTSK                                                                                                 |
| Konjugation              | Unconjugated                                                                                                                                                |
| Produktbeschreibung      | CTSK polyclonal antibody...                                                                                                                                 |
| Molekulargewicht         | ~ 43 kDa                                                                                                                                                    |
| Puffer                   | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                                      |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE). |
| Antibody Type            | Primary Antibody                                                                                                                                            |
