| Alternativnummer         | NBS-PSJ-5XDFNS-10                                                                                                                                                                                                         |
| Hersteller               | Nordic BioSite                                                                                                                                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                          |
| Immunogen                | Recombinant Human Decorin Protein is produced by HEK293 cells expression system. The target protein is expressed with sequence (Asp31-Lys359) of human Decorin (Accession P07585) fused with a hFC tag at the C-terminus. |
| Produktbeschreibung      | Human Decorin/PG-S2/DCN protein (Recombinant) (C-hFC)...                                                                                                                                                                  |
