| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                               |
| Immunogen                | Recombinant SARS-COV-2 Spike RBD (E484K) Protein is produced by HEK293 cells expression system. The target protein is expressed with sequence (Arg319-Phe541 (E484K) ) of SARS-COV-2 RBD (Accession YP_009724390.1) fused with an 6*His tag at the C-terminus. |
| Produktbeschreibung      | SARS-COV-2 Spike RBD (E484K) protein (Recombinant) (C-His)...                                                                                                                                                                                                  |
