| Alternativnummer         | NBS-PSJ-MPXX0H-50                                                                                                                                                                                                                       |
| Hersteller               | Nordic BioSite                                                                                                                                                                                                                          |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                        |
| Immunogen                | Recombinant Human Serpin E2 Protein is produced by HEK293 cells expression system. The target protein is expressed with sequence (Ser20-Pro397) of Human Serpin E2 (Accession NP_001130000.1) fused with a 6*His tag at the C-terminus. |
| Produktbeschreibung      | Human Serpin E2 protein (Recombinant) (C-His)...                                                                                                                                                                                        |
| NCBI                     | <a href="#">5270</a>                                                                                                                                                                                                                    |
