| Hersteller               | Aviva                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                           |
| Spezies Reaktivität      | Canine, Mouse, Rat                                                                                                                                                            |
| Immunogen                | The immunogen is a synthetic peptide corresponding to a region of Rat                                                                                                         |
| Produktbeschreibung      | An extracellular calcium binding protein of the mineralized matrix of bone [Calnuc or RGD:620030]. Also useful as a Golgi marker in immunohistochemistry (1:100 dilution).... |
| Klonalität               | Polyclonal                                                                                                                                                                    |
| Konzentration            | 1.0 mg/ml                                                                                                                                                                     |
| Molekulargewicht         | 54kDa                                                                                                                                                                         |
| NCBI                     | <a href="#">84595</a>                                                                                                                                                         |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
