| Artikelname              | Anti-Phospho-Tau (pThr231) Antibody, Polyclonal                                                                                                                                                             |
| Artikelnummer            | RAY-RB-02-0011-500                                                                                                                                                                                          |
| Hersteller Artikelnummer | RB-02-0011-500                                                                                                                                                                                              |
| Alternativnummer         | RAY-RB-02-0011-500                                                                                                                                                                                          |
| Hersteller               | RayBiotech                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                                  |
| Immunogen                | Immunogen was synthetic peptide derived from human Tau. This antibody was obtained from a rabbit immunized with the immunogen. The IgG fraction of immunized serum was purified by affinity chromatography. |
| Produktbeschreibung      | Rabbit anti-phosphorylated-Tau (pThr231) Antibody...                                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                                                                                  |
| Sequenz                  | CAVVRT(P)PPKSPS                                                                                                                                                                                             |
| Anwendungsbeschreibung   | ELISA (recommended work dilution= 1: 5,000-10,000), Western Blotting (recommended work dilution= 1-5 µg/ml), Immunoprecipitation (recommended work dilution= determined by customer)                        |
