| Wirt                     | Human                                                                                                     |
| Kategorie                | Antikörper                                                                                                |
| Applikation              | ELISA, FA, FACS, Kinetics                                                                                 |
| Spezies Reaktivität      | Virus                                                                                                     |
| Konjugation              | Unconjugated                                                                                              |
| Produktbeschreibung      | Recombinant human monoclonal [R16-F10] antibody to SARS-CoV-2 Spike RBD....                               |
| Klonalität               | Monoclonal                                                                                                |
| Konzentration            | Reconstitution dependent.                                                                                 |
| Klon-Bezeichnung         | [R16-F10]                                                                                                 |
| Molekulargewicht         | This antibody has a predicted MW of 145.5 kDa.                                                            |

|                   |                                                                             |
|-------------------|-----------------------------------------------------------------------------|
| Puffer            | Lyophilized from 25mM Histadine, pH 6.2, with 8% Sucrose and 0.01% Tween80. |
| Expression System | CHO cells                                                                   |
| Reinheit          | > 95% (by SDS-PAGE).                                                        |
| Formulierung      | Lyophilized                                                                 |
| Target-Kategorie  | SARS-CoV-2 Spike RBD                                                        |
| Antibody Type     | Primary Antibody                                                            |
