| Alternativnummer         | GTX127303-100,GTX127303-25                                                                                                                                                            |
| Hersteller               | GeneTex                                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                                            |
| Applikation              | WB                                                                                                                                                                                    |
| Spezies Reaktivität      | Virus                                                                                                                                                                                 |
| Immunogen                | Recombinant protein encompassing a sequence within the Internal region of Influenza A virus H7N7 HA (Hemagglutinin) (A/duck/Taiwan/33/1993(H7N7)). The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                                                          |
| Klonalität               | Polyclonal                                                                                                                                                                            |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                              |
| Molekulargewicht         | 63                                                                                                                                                                                    |
| Puffer                   | PBS, 20% Glycerol, 0.01% Thimerosal.                                                                                                                                                  |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Purified by antigen-affinity chromatography.                                                                                  |
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 1:500-1:3000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
