## Product Datasheet

### RAS antibody, Unconjugated, Rabbit, Polyclonal GTX132480

|                          |                                                                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | RAS antibody, Unconjugated, Rabbit, Polyclonal                                                                                                      |
| Artikelnummer            | GTX132480                                                                                                                                           |
| Hersteller Artikelnummer | GTX132480                                                                                                                                           |
| Alternativnummer         | GTX132480-100,GTX132480-25                                                                                                                          |
| Hersteller               | GeneTex                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | IHC-P, WB                                                                                                                                           |
| Spezies Reaktivität      | Frog, Goat, Human, Mouse, Rat, Rodent, Zebrafish                                                                                                    |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the N-terminus region of human KRAS. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                          |
| Konzentration            | 0.27 mg/ml (Please refer to the vial label for the specific concentration.)                                                                         |
| Puffer                   | PBS, 1% BSA, 20% Glycerol, 0.025% ProClin 300.                                                                                                      |
| Reinheit                 | Purified by antigen-affinity chromatography.                                                                                                        |
| Formulierung             | Liquid                                                                                                                                              |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | WB: 1:500-1:10000. IHC-P: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
