| Artikelname              | Ebola virus NP antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                 |
| Artikelnummer            | GTX134031                                                                                                                                                                 |
| Hersteller Artikelnummer | GTX134031                                                                                                                                                                 |
| Alternativnummer         | GTX134031-100,GTX134031-25                                                                                                                                                |
| Hersteller               | GeneTex                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                |
| Applikation              | ICC, WB                                                                                                                                                                   |
| Spezies Reaktivität      | Virus                                                                                                                                                                     |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of Ebola virus NP protein (Zaire ebolavirus (strain Mayinga-76)). The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                                                                |
| Konzentration            | 0.47 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                               |
| Puffer                   | PBS, 1% BSA, 20% Glycerol, 0.025% ProClin 300.                                                                                                                            |
| Reinheit                 | Purified by antigen-affinity chromatography.                                                                                                                              |
| Formulierung             | Liquid                                                                                                                                                                    |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | WB: 1:1000-1:10000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
