## Product Datasheet

### **IL4 Receptor / CD124 antibody [4Y44], IgG2, Unconjugated, Mouse, Monoclonal GTX52859**

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Artikelname              | IL4 Receptor / CD124 antibody [4Y44], IgG2, Unconjugated, Mouse, Monoclonal |
| Artikelnummer            | GTX52859                                                                    |
| Hersteller Artikelnummer | GTX52859                                                                    |
| Alternativnummer         | GTX52859-50                                                                 |
| Hersteller               | GeneTex                                                                     |
| Wirt                     | Mouse                                                                       |
| Kategorie                | Antikörper                                                                  |
| Applikation              | IHC-P, NeA, WB                                                              |
| Spezies Reaktivität      | Human                                                                       |
| Immunogen                | Human recombinant IL-4RalphaEC domain                                       |
| Konjugation              | Unconjugated                                                                |
| Klonalität               | Monoclonal                                                                  |
| Konzentration            | 500 µg/ml (Please refer to the vial label for the specific concentration.)  |
| Klon-Bezeichnung         | [4Y44]                                                                      |
| Molekulargewicht         | 90                                                                          |
| Isotyp                   | IgG2                                                                        |

|                        |                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">3566</a>                                                                                                                                 |
| UniProt                | <a href="#">P24394</a>                                                                                                                               |
| Puffer                 | PBS, no preservative.                                                                                                                                |
| Reinheit               | Protein G purified                                                                                                                                   |
| Formulierung           | Liquid                                                                                                                                               |
| Anwendungsbeschreibung | WB: 1:500 - 1:1000. IHC-P: 1:20 - 1:200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
