| Wirt                     | Mouse                                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                                               |
| Applikation              | ELISA, ICC, WB                                                                                                                                                                                           |
| Spezies Reaktivität      | Virus                                                                                                                                                                                                    |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of Dengue virus NS3 protein (Dengue virus 2 (strain 16681 PDK 53)). The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                                                                             |
| Klonalität               | Monoclonal                                                                                                                                                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                                                 |
| Klon-Bezeichnung         | [GT2811]                                                                                                                                                                                                 |
| Molekulargewicht         | 69                                                                                                                                                                                                       |

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotyp                 | IgG1                                                                                                                                                  |
| Sensitivitaet          | This antibody does not cross-react with JEV Envelope protein.                                                                                         |
| Puffer                 | PBS, 20% Glycerol, no Preservative.                                                                                                                   |
| Reinheit               | Affinity purified by Protein G.                                                                                                                       |
| Formulierung           | Liquid                                                                                                                                                |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. ICC/IF: 1:100-1:2000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
