## Product Datasheet

### PDHX antibody, C-term, Unconjugated, Goat, Polyclonal GTX89576

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | PDHX antibody, C-term, Unconjugated, Goat, Polyclonal                                                                                         |
| Artikelnummer            | GTX89576                                                                                                                                      |
| Hersteller Artikelnummer | GTX89576                                                                                                                                      |
| Alternativnummer         | GTX89576-100                                                                                                                                  |
| Hersteller               | GeneTex                                                                                                                                       |
| Wirt                     | Goat                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | WB                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                         |
| Immunogen                | Peptide with sequence C-KSFKANLENPIRLA, from the C Terminus of the protein sequence according to NP_003468.2, NP_001128496.1, NP_001159630.1. |
| Konjugation              | Unconjugated                                                                                                                                  |
| Klonalität               | Polyclonal                                                                                                                                    |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                                   |
| Molekulargewicht         | 54                                                                                                                                            |
| Sensitivitaet            | This antibody is expected to recognise all reported isoforms.                                                                                 |
| NCBI                     | <a href="#">8050</a>                                                                                                                          |

|                        |                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">O00330</a>                                                                                                      |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                          |
| Reinheit               | Purified by ammonium sulphate precipitation followed by antigen affinity chromatography                                     |
| Formulierung           | Liquid                                                                                                                      |
| Anwendungsbeschreibung | WB: 0.1-1µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
