| Artikelname              | BAZ2B antibody, C-term, Unconjugated, Goat, Polyclonal                                                       |
| Artikelnummer            | GTX89680                                                                                                     |
| Hersteller Artikelnummer | GTX89680                                                                                                     |
| Alternativnummer         | GTX89680-100                                                                                                 |
| Hersteller               | GeneTex                                                                                                      |
| Wirt                     | Goat                                                                                                         |
| Kategorie                | Antikörper                                                                                                   |
| Applikation              | IHC-P                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                        |
| Immunogen                | Peptide with sequence C-YFEKKWTDTFKVS, from the C Terminus of the protein sequence according to NP_038478.2. |
| Konjugation              | Unconjugated                                                                                                 |
| Klonalität               | Polyclonal                                                                                                   |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                  |
| NCBI                     | <a href="#">29994</a>                                                                                        |
| UniProt                  | <a href="#">Q9UIF8</a>                                                                                       |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                           |

|                        |                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Purified by ammonium sulphate precipitation followed by antigen affinity chromatography                                      |
| Formulierung           | Liquid                                                                                                                       |
| Anwendungsbeschreibung | IHC-P: 1-2µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
