## Product Datasheet

### **SART1 antibody, N-term, Unconjugated, Goat, Polyclonal GTX89682**

|                          |                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------|
| Artikelname              | SART1 antibody, N-term, Unconjugated, Goat, Polyclonal                                                       |
| Artikelnummer            | GTX89682                                                                                                     |
| Hersteller Artikelnummer | GTX89682                                                                                                     |
| Alternativnummer         | GTX89682-100                                                                                                 |
| Hersteller               | GeneTex                                                                                                      |
| Wirt                     | Goat                                                                                                         |
| Kategorie                | Antikörper                                                                                                   |
| Applikation              | WB                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                        |
| Immunogen                | Peptide with sequence GSSKKHRGEKEAA-C, from the N Terminus of the protein sequence according to NP_005137.1. |
| Konjugation              | Unconjugated                                                                                                 |
| Klonalität               | Polyclonal                                                                                                   |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                  |
| Molekulargewicht         | 90                                                                                                           |
| Sensitivitaet            | This antibody is expected to recognise both the human SART1(800) and SART1(259) proteins.                    |
| NCBI                     | <a href="#">9092</a>                                                                                         |

|                        |                                                                                                                                |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">O43290</a>                                                                                                         |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                             |
| Reinheit               | Purified by ammonium sulphate precipitation followed by antigen affinity chromatography                                        |
| Formulierung           | Liquid                                                                                                                         |
| Anwendungsbeschreibung | WB: 0.03-0.1µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
