## Product Datasheet

### MRG15 antibody, N-term, Unconjugated, Goat, Polyclonal GTX89736

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | MRG15 antibody, N-term, Unconjugated, Goat, Polyclonal                                                                    |
| Artikelnummer            | GTX89736                                                                                                                  |
| Hersteller Artikelnummer | GTX89736                                                                                                                  |
| Alternativnummer         | GTX89736-100                                                                                                              |
| Hersteller               | GeneTex                                                                                                                   |
| Wirt                     | Goat                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | IHC-P, WB                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Porcine, Rat                                                                                                |
| Immunogen                | Peptide with sequence APKQDPKPKFQEG-C, from the N Terminus of the protein sequence according to NP_006782.1, NP_996670.1. |
| Konjugation              | Unconjugated                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                               |
| Molekulargewicht         | 41                                                                                                                        |
| Sensitivitaet            | This antibody is expected to recognise isoform 1 (NP_006782.1) and isoform 2 (NP_996670.1).                               |
| NCBI                     | <a href="#">10933</a>                                                                                                     |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q9UBU8</a>                                                                                                        |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                            |
| Reinheit               | Purified by ammonium sulphate precipitation followed by antigen affinity chromatography                                       |
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 0.1-0.3µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
