## Product Datasheet

### CMG1 antibody, C-term, Unconjugated, Goat, Polyclonal GTX89771

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CMG1 antibody, C-term, Unconjugated, Goat, Polyclonal                                                                                                    |
| Artikelnummer            | GTX89771                                                                                                                                                 |
| Hersteller Artikelnummer | GTX89771                                                                                                                                                 |
| Alternativnummer         | GTX89771-100                                                                                                                                             |
| Hersteller               | GeneTex                                                                                                                                                  |
| Wirt                     | Goat                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | ICC, IHC-P, WB                                                                                                                                           |
| Spezies Reaktivität      | Human, Rat                                                                                                                                               |
| Immunogen                | Peptide with sequence C-KTIVDALHSTSGN, from the C Terminus of the protein sequence according to NP_001092692.1, NP_001092693.1, NP_079379.2, AAK77221.1. |
| Konjugation              | Unconjugated                                                                                                                                             |
| Klonalität               | Polyclonal                                                                                                                                               |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                                              |
| Molekulargewicht         | 69                                                                                                                                                       |
| NCBI                     | <a href="#">80173</a>                                                                                                                                    |
| UniProt                  | <a href="#">Q96LB3</a>                                                                                                                                   |

|                        |                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                                            |
| Reinheit               | Purified by ammonium sulphate precipitation followed by antigen affinity chromatography                                                       |
| Formulierung           | Liquid                                                                                                                                        |
| Anwendungsbeschreibung | WB: 0.3-1µg/ml. IHC-P: 5-10µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
