## Product Datasheet

### SAP130 antibody, C-term, Unconjugated, Goat, Polyclonal GTX89893

|                          |                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------|
| Artikelname              | SAP130 antibody, C-term, Unconjugated, Goat, Polyclonal                                                       |
| Artikelnummer            | GTX89893                                                                                                      |
| Hersteller Artikelnummer | GTX89893                                                                                                      |
| Alternativnummer         | GTX89893-100                                                                                                  |
| Hersteller               | GeneTex                                                                                                       |
| Wirt                     | Goat                                                                                                          |
| Kategorie                | Antikörper                                                                                                    |
| Applikation              | WB                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                         |
| Immunogen                | Peptide with sequence C-VSKKLEDIRTRYAF, from the C Terminus of the protein sequence according to NP_036558.3. |
| Konjugation              | Unconjugated                                                                                                  |
| Klonalität               | Polyclonal                                                                                                    |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                   |
| Molekulargewicht         | 136                                                                                                           |
| NCBI                     | <a href="#">23450</a>                                                                                         |
| UniProt                  | <a href="#">Q15393</a>                                                                                        |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                            |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Purified by ammonium sulphate precipitation followed by antigen affinity chromatography                                       |
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 0.1-0.3µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
