## Product Datasheet

### **BCL7A antibody, C-term, Unconjugated, Goat, Polyclonal GTX89978**

|                          |                                                                                                                              |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | BCL7A antibody, C-term, Unconjugated, Goat, Polyclonal                                                                       |
| Artikelnummer            | GTX89978                                                                                                                     |
| Hersteller Artikelnummer | GTX89978                                                                                                                     |
| Alternativnummer         | GTX89978-100                                                                                                                 |
| Hersteller               | GeneTex                                                                                                                      |
| Wirt                     | Goat                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | WB                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                        |
| Immunogen                | Peptide with sequence C-MKLEASQQNSEEM, from the C Terminus of the protein sequence according to NP_066273.1, NP_001019979.1. |
| Konjugation              | Unconjugated                                                                                                                 |
| Klonalität               | Polyclonal                                                                                                                   |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                  |
| Molekulargewicht         | 23                                                                                                                           |
| Sensitivitaet            | This antibody is expected to recognize both reported isoforms (NP_066273.1, NP_001019979.1).                                 |
| NCBI                     | <a href="#">605</a>                                                                                                          |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q4VC05</a>                                                                                                    |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                        |
| Reinheit               | Purified by ammonium sulphate precipitation followed by antigen affinity chromatography                                   |
| Formulierung           | Liquid                                                                                                                    |
| Anwendungsbeschreibung | WB: 1-3µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
