| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                        |
| Immunogen                | E.coli-derived human SDS recombinant protein (Position: M1-K328).                                                                                                                                                                                            |
| Konjugation              | APC                                                                                                                                                                                                                                                          |
| Produktbeschreibung      | Boster Bio Anti-SDS Antibody Picoband catalog A02273-1. Tested in ELISA, Flow Cytometry, WB applications. This antibody reacts with Human. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and s... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 33229 MW                                                                                                                                                                                                                        |

|                        |                                                                                                              |
