| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FC, IF, STORM, WB                                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Konjugation              | CF680                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Alpaca Anti-Mouse (Fab) Kappa, rVHH (N2507.MFAB) is a recombinant Alpaca VHH antibody that recognizes the mouse kappa light chain, and is validated for IF, flow, and WB. Far-red/near-IR STORM-compatible CF680 dye has Ex/Em at 681/698 nm. Unit size: 5... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 100 ug/mL                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [N2507.MFAB]                                                                                                                                                                                                                                                  |

|                        |                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, 0.1% rBSA, 0.05% azide                                                                                                                                  |
| Quelle                 | Animal                                                                                                                                                       |
| Anwendungsbeschreibung | Immunofluorescence: 0.1 ug/mL, Flow cytometry: 0.1 ug per million cells/0.1 mL, Western blot: 250 ng/mL, Optimal concentration to be determined by end-user. |
