| Kategorie                | Antikörper                                                                                                                                                                                                                                      |
| Applikation              | FC                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                           |
| Konjugation              | CF488A                                                                                                                                                                                                                                          |
| Produktbeschreibung      | CD56 (r5.1.H11) is a recombinant mouse monoclonal antibody that recognizes the human protein CD56. This CF488A antibody conjugate has been validated in flow cytometry. It is supplied at 5 uL/test, with sufficient antibody for 100 tests.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                     |
| Konzentration            | 200 ug/mL                                                                                                                                                                                                                                       |
| Klon-Bezeichnung         | [r5.1H11]                                                                                                                                                                                                                                       |
| UniProt                  | <a href="#">P13591</a>                                                                                                                                                                                                                          |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Puffer                 | PBS, 0.1% rBSA, 0.05% azide                                                 |
| Quelle                 | Animal                                                                      |
| Anwendungsbeschreibung | Recommended concentration for flow cytometry: 5 uL per million cells/0.1 mL |
