| Produktbeschreibung      | This gene encodes a member of the bicoid sub-family of homeodomain-containing transcription factors. The encoded protein acts as a transcription factor and may play a role in brain and sensory organ development. A similar protein in mice is required ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
