| Artikelname              | TAGAP Rabbit Monoclonal Antibody, Unconjugated                                                        |
| Artikelnummer            | EKL-AMRE84077                                                                                         |
| Hersteller Artikelnummer | AMRe84077                                                                                             |
| Alternativnummer         | EKL-AMRE84077-50UL,EKL-AMRE84077-100UL                                                                |
| Hersteller               | EnkiLife                                                                                              |
| Wirt                     | Rabbit                                                                                                |
| Kategorie                | Antikörper                                                                                            |
| Applikation              | IP, WB                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                     |
| Konjugation              | Unconjugated                                                                                          |
| Produktbeschreibung      | May function as a GTPase-activating protein and may play important roles during T-cell activation.... |
| Klonalität               | Monoclonal                                                                                            |
| Molekulargewicht         | Calculated MW: 81 kDa , Observed MW: 65,90 kDa                                                        |
| UniProt                  | <a href="#">Q8N103</a>                                                                                |
| Puffer                   | Purified antibody in PBS with 0.05% sodium azide,0.05% BSA and 50% glycerol.                          |
| Reinheit                 | Affinity Purification                                                                                 |
| Formulierung             | Liquid                                                                                                |

| Target-Kategorie       | TAGAP                         |
|------------------------|-------------------------------|
| Application Verdünnung | WB 1:1000-1:2000,IP 1:20-1:50 |
