| Hersteller               | EnkiLife                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | IP, WB                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                |
| Konjugation              | Unconjugated                                                                                                                                     |
| Produktbeschreibung      | The SMN complex plays an essential role in spliceosomal snRNP assembly in the cytoplasm and is required for pre-mRNA splicing in the nucleus.... |
| Klonalität               | Monoclonal                                                                                                                                       |
| Molekulargewicht         | Calculated MW: 32 kDa , Observed MW: 31 kDa                                                                                                      |
| UniProt                  | <a href="#">O14893</a>                                                                                                                           |
| Puffer                   | Purified antibody in PBS with 0.05% sodium azide,0.05% BSA and 50% glycerol.                                                                     |
| Reinheit                 | Affinity Purification                                                                                                                            |

|                        |                               |
|------------------------|-------------------------------|
| Formulierung           | Liquid                        |
| Target-Kategorie       | Gemin2                        |
| Application Verdünnung | WB 1:1000-1:2000,IP 1:20-1:50 |
