| Kategorie                | Antikörper                                                                                                                                                                                     |
| Applikation              | ICC, IP, WB                                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                              |
| Konjugation              | Unconjugated                                                                                                                                                                                   |
| Produktbeschreibung      | Dual specificity kinase. Is activated by cytokines and environmental stress in vivo. Catalyzes the concomitant phosphorylation of a threonine and a tyrosine residue in the MAP kinase p38.... |
| Klonalität               | Monoclonal                                                                                                                                                                                     |
| Molekulargewicht         | Calculated MW: 39 kDa, Observed MW: 38-40 kDa                                                                                                                                                  |
| NCBI                     | <a href="#">5606</a>                                                                                                                                                                           |
| UniProt                  | <a href="#">P46734</a>                                                                                                                                                                         |
| Puffer                   | Purified antibody in TBS with 0.05% sodium azide,0.05%BSA and 50% glycerol.                                                                                                                    |

|                        |                                             |
