| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                             |
| Immunogen                | Recombinant Human Siglec-5/CD170 Protein is produced by HEK293 cells expression system. The target protein is expressed with sequence (Lys18-Val437) of human Siglec-5/CD170 (Accession NP_003821.1) fused with a His tag at the C-terminus. |
| Produktbeschreibung      | Human Siglec-5/CD170 protein (Recombinant) (No tag)...                                                                                                                                                                                       |
