

Product Datasheet

Nephrin antibody BYT-ORB322977

Artikelname	Nephrin antibody
Artikelnummer	BYT-ORB322977
Hersteller Artikelnummer	orb322977
Hersteller	Biorbyt
Wirt	Rabbit
Kategorie	Antikörper
Applikation	IHC-P, P-ELISA, WB
Spezies Reaktivität	Human, Rat, Mouse
Immunogen	KLH conjugated synthetic peptide derived from human Nephrin. Please contact us for the exact immunogen sequence. The peptide is available as orb374936.
Konjugation	Unconjugated
Klonalität	Polyclonal
Konzentration	- 100 µg (in 200 µl): 0.5 mg/ml- 200 µg (in 400 µl): 0.5 mg/ml
Molekulargewicht	135 kDa
Isotyp	IgG
NCBI	NP_004637.11, NM_004646.31
UniProt	O60500 (Human), Q9QZS7 (Mouse), Q9R044 (Rat)
Reinheit	Polyclonal antibodies are purified by peptide affinity chromatography
Formulierung	10 mM PBS, 0.02% sodium azide

Lagerung	2-8 degrees C
Kommentar	For research use only.
Application Verdünnung	IHC-P: 1:100-600 (based on 0.5mg/ml), WB: 1:100-500
