### Recombinant Human FGF-7 Protein RAY-230-01083-10

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Human FGF-7 Protein                                                     |
| Artikelnummer            | RAY-230-01083-10                                                                    |
| Hersteller Artikelnummer | 230-01083-10                                                                        |
| Alternativnummer         | RAY-230-01083-10                                                                    |
| Hersteller               | RayBiotech                                                                          |
| Kategorie                | Proteine/Peptide                                                                    |
| Spezies Reaktivität      | Human                                                                               |
| Produktbeschreibung      | Recombinant human fibroblast growth factor 7 (FGF-7) protein derived from E.coli... |
| Konzentration            | Lot specific (see the label on the vial), determined by Bradford protein assay.     |
| Molekulargewicht         | 21 kDa                                                                              |
| Tag                      | His                                                                                 |
| Expression System        | E. coli                                                                             |
| Reinheit                 | SDS-PAGE under reducing conditions and visualized by Coomassie blue staining        |
| Formulierung             | Liquid                                                                              |
| Sequenz                  | Cys32-Thr194                                                                        |

|        |                                                                                                                                            |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Formel | Filtered solution in 15 mM Na <sub>2</sub> HPO <sub>4</sub> (pH 7.5), 5 mM NaH <sub>2</sub> PO <sub>4</sub> , 0.5 M NaCl, 60 mM imidazole. |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------|
