## Product Datasheet

### CEA Antigen Grade RAY-MD-16-0024P

|                          |  |
|--------------------------|--|
| Artikelname              | CEA Antigen Grade  |
| Artikelnummer            | RAY-MD-16-0024P  |
| Hersteller Artikelnummer | MD-16-0024P  |
| Alternativnummer         | RAY-MD-16-0024P  |
| Hersteller               | RayBiotech   |
| Kategorie                | Proteine/Peptide   |
| Produktbeschreibung      | Carcinoembryonic Antigen (CEA) Antigen Grade...  |
| Konzentration            | Lot specific (see the label on the vial)   |
| Expression System        | Human Metastatic Liver   |
| Reinheit                 | Immunoaffinity purification. SDS-PAGE denaturing: multiple protein bands 150-210 kDa.  |
| Formulierung             | Affinity Purified, Liquid Exp. Date: N/A   |
| Formel                   | 0.1 M PBS, pH 7.4 containing 2% Methyl-Mannoside.  |
| Application Verdünnung   | Suitable as an immunogen for antisera production, tracer for iodination and standard for Immunoassay. Each laboratory should determine an optimum working titer for use in its particular application. Other applications have not been tested but use in such |
