### Anti-Cytokeratin 10 + 13 Antibody, Mouse RAY-188-10846-IHC

|                          |                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Cytokeratin 10 + 13 Antibody, Mouse                                                                                                |
| Artikelnummer            | RAY-188-10846-IHC                                                                                                                       |
| Hersteller Artikelnummer | 188-10846-IHC                                                                                                                           |
| Alternativnummer         | RAY-188-10846-IHC                                                                                                                       |
| Hersteller               | RayBiotech                                                                                                                              |
| Wirt                     | Mouse                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                   |
| Immunogen                | A cytoskeletal preparation extracted from human ectocervical epithelium was used as the immunogen for the Cytokeratin 10 + 13 antibody. |
| Produktbeschreibung      | Mouse anti-Human/Cat Cytokeratin 10 + 13 Antibody [IHC only]...                                                                         |
| Konzentration            | Prediluted in 1X PBS with 0.1 mg/ml BSA (US sourced) and 0.05% sodium azide, *For IHC use only*                                         |
| NCBI                     | <a href="#">3858</a>                                                                                                                    |
| UniProt                  | <a href="#">P13645</a>                                                                                                                  |
| Reinheit                 | Protein G affinity chromatography                                                                                                       |
| Anwendungsbeschreibung   | Prediluted format : incubate for 30 min at RT (2)                                                                                       |
