| Hersteller               | TargetMol                                                                                                                                                                                                                                          |
| Kategorie                | Biochemikalien                                                                                                                                                                                                                                     |
| Produktbeschreibung      | Beta-mammal/insect toxin Ts1 Protein, Tityus serrulatus, Recombinant (E. coli, His & Myc) is expressed in E. coli expression system with N-10xHis and C-Myc tag. The predicted molecular weight is 14.3 kDa and the accession number is P15226.... |
| Molekulargewicht         | 14.3 kDa (predicted)                                                                                                                                                                                                                               |
