| Kategorie                | Biochemikalien                                                                                                                                                                                                                        |
| Produktbeschreibung      | Influenza A H1N2 (A/swine/North Carolina/A01668056/2016)<br>Neuraminidase/NA Protein (His) is expressed in HEK293 mammalian cells with His tag. The predicted molecular weight is 50.8 kDa and the accession number is A0A1L6BRM4.... |
| Molekulargewicht         | 50.8 kDa (predicted)                                                                                                                                                                                                                  |
