## Product Datasheet

### **CTSK (Cathepsin K, Cathepsin O, Cathepsin X, Cathepsin O2, CTSO2, CTSO) (FITC), Clone: [2F1], Mouse, Monoclonal USB-125472-FITC**

|                          |                                                                                                                                                                                                                                                               |

| Alternativnummer         | USB-125472-FITC-100                                                                                                                                                                                                                                           |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                | Partial recombinant protein corresponding to aa220-329 from human CTSK (BC016058, AAH16058) with GST tag. MW of the GST tag alone is 26kD.                                                                                                                    |
| Produktbeschreibung      | The protein encoded by this gene is a lysosomal cysteine proteinase involved in bone remodeling and resorption. This protein, which is a member of the peptidase C1 protein family, is predominantly expressed in osteoclasts. However, the encoded protei... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [2F1]                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">016058</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |

|              |                                                                                                             |
|--------------|-------------------------------------------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Fluorescein isothiocyanate (FITC). |
