| Alternativnummer         | USB-129446-ML490-100                                                                                                                                                                                                                                          |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | Full length human MASP1, aa1-380 (NP_001027019.1).                                                                                                                                                                                                            |
| Produktbeschreibung      | MaxLight(TM)490 is a new Blue-Green photostable dye conjugate comparable to DyLight(TM)488, Alexa Fluor(TM)488 and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (491nm), Emission (515nm), Extinction Coe... |
| NCBI                     | <a href="#">001031849</a>                                                                                                                                                                                                                                     |
| Reinheit                 | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |

|              |                                                                                           |
|--------------|-------------------------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)490. |
