## Product Datasheet

### **PEX14 (Peroxisomal Membrane Protein PEX14, PTS1 Receptor-docking Protein, Peroxin-14, Peroxisomal Membrane Anchor Protein PEX14, MGC12767) (FITC), Clone: [1G12], Mouse, Monoclonal USB-131168-FITC**

|                          |                                                                                                                                                                                                                                                               |

| Alternativnummer         | USB-131168-FITC-100                                                                                                                                                                                                                                           |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Partial recombinant corresponding to aa293-376 from human PEX14 (NP_004556) with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                    |
| Produktbeschreibung      | Component of the peroxisomal translocation machinery with PEX13 and PEX17. Interacts with both the PTS1 and PTS2 receptors. Binds directly to PEX17. Applications: Suitable for use in FLISA and Western Blot. Other applications not tested. Recommended ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [1G12]                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">004565</a>                                                                                                                                                                                                                                        |

|              |                                                                                                             |
|--------------|-------------------------------------------------------------------------------------------------------------|
| Reinheit     | Purified by Protein A affinity chromatography.                                                              |
| Formulierung | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Fluorescein isothiocyanate (FITC). |
