| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | Full length human PLIN, aa1-522 (AAH31084.1).                                                                                                                                                                                                                 |
| Produktbeschreibung      | Modulator of adipocyte lipid metabolism. Coats lipid storage droplets to protect them from breakdown by hormone-sensitive lipase (HSL). Its absence may result in leanness. Applications: Suitable for use in Western Blot. Other applications not tested.... |
| NCBI                     | <a href="#">031084</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP).                                                                                                                                                        |
