| Alternativnummer         | USB-140346-200                                                                                                                                                                                                                                                |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                | Recombinant protein corresponding to aa25-234 with an N-Terminal His-Tag, from human FOLR1, expressed in E. coli                                                                                                                                              |
| Produktbeschreibung      | Applications: Suitable for use in ELISA, Western Blot, Immunohistochemistry and Immunocytochemistry. Other applications not tested. Recommended Dilutions: ELISA: 1:100-1:200 Western Blot: 1:50-1:400 Immunohistochemistry (frozen): 1:50-1:500 Immunohis... |
| Reinheit                 | Purified by affinity chromatography.                                                                                                                                                                                                                          |
| Formulierung             | Supplied as a liquid in PBS, pH 7.4, 0.02% sodium azide, 50% glycerol.                                                                                                                                                                                        |
