| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IF, IHC                                                                                                                                                                                                                                                       |
| Immunogen                | Recombinant human Complement 4d protein. Cellular Localization: Intracytoplasmic vacuoles of endothelial cells and Secreted.                                                                                                                                  |
| Produktbeschreibung      | This MAb is specific to Complement 4d (C4d) and it reacts with the secreted as well as cell-bound C4d. C4d is a degradation product of the activated complement factor C4b. Complement 4b is typically activated by binding of Abs to specific target mole... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [SPM545]                                                                                                                                                                                                                                                      |

|              |                                                                             |
|--------------|-----------------------------------------------------------------------------|
| UniProt      | <a href="#">P0COL4</a>                                                      |
| Reinheit     | Purified by Protein A/G affinity chromatography.                            |
| Formulierung | Supplied as a liquid in PBS. Also available with BSA and azide, see 172070. |
