| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF, IP, WB                                                                                                                                                                                                                                             |
| Immunogen                | GEMIN7 (NP_078983.1, 43aa-131aa) partial recombinant protein with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                                   |
| Produktbeschreibung      | The protein encoded by this gene is a component of the core SMN complex, which is required for pre-mRNA splicing in the nucleus. The encoded protein is found in the nucleoplasm, in nuclear gems (Gemini of Cajal bodies), and in the cytoplasm. Three tr... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [4H6]                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">078983</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified                                                                                                                                                                                                                                                      |

|              |                                                                                                |
|--------------|------------------------------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with R-Phycoerythrin (PE). |
