| Hersteller Artikelnummer | 320340                                                                                                                                                                                                                                                         |
| Alternativnummer         | USB-320340-50,USB-320340-100                                                                                                                                                                                                                                   |
| Hersteller               | US Biological                                                                                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                     |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                                                                 |
| Immunogen                | Synthetic peptide of human IL3RA                                                                                                                                                                                                                               |
| Produktbeschreibung      | The protein encoded by this gene is an interleukin 3 specific subunit of a heterodimeric cytokine receptor. The receptor is comprised of a ligand specific alpha subunit and a signal transducing beta subunit shared by the receptors for interleukin 3 (...) |
| UniProt                  | <a href="#">P26951</a>                                                                                                                                                                                                                                         |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                     |
| Formulierung             | Supplied as a liquid in PBS, pH 7.4, 0.05% sodium azide, 40% glycerol.                                                                                                                                                                                         |
