| Hersteller               | US Biological                                                                                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                       |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                                                                   |
| Immunogen                | Human PSKH2                                                                                                                                                                                                                                                      |
| Produktbeschreibung      | Applications: Suitable for use in ELISA, Western Blot and Immunohistochemistry. Other applications not tested.<br>Recommended Dilution: Optimal dilutions to be determined by the researcher. Storage and Stability: May be stored at 4C for short-term only.... |
| UniProt                  | <a href="#">Q96QS6</a>                                                                                                                                                                                                                                           |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                       |
| Formulierung             | Supplied as a liquid in PBS, pH 7.3, 0.09% sodium azide, 50% glycerol.                                                                                                                                                                                           |
