| Alternativnummer         | USB-368009-100                                                                                                                                                                                                                                                |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | CD276 (AAH62581.1, aa237-358) partial recombinant protein with GST tag.                                                                                                                                                                                       |
| Produktbeschreibung      | The protein encoded by this gene belongs to the immunoglobulin superfamily, and thought to participate in the regulation of T-cell-mediated immune response. Studies show that while the transcript of this gene is ubiquitously expressed in normal tissu... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [1A6]                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">62581</a>                                                                                                                                                                                                                                         |
