| Alternativnummer         | USB-381596-100                                                                                                                                                                                                                                                |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | Recombinant protein corresponding to CrkII.                                                                                                                                                                                                                   |
| Produktbeschreibung      | The Crk-I and Crk-II forms differ in their biological activities. Crk-II has less transforming activity than Crk-I. Crk- II mediates attachment-induced MAPK8 activation, membrane ruffling and cell motility in a Rac-dependent manner. Involved in phago... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [17J35]                                                                                                                                                                                                                                                       |
| Isotyp                   | IgG2b                                                                                                                                                                                                                                                         |

|              |                                                                                                         |
