| Artikelname              | Angiotensin Converting Enzyme 2 (CT) (ACE 2, ACE2, ACE-2, ACE-related Carboxypeptidase, Angiotensin Converting Enzyme Homolog, ACEH, Angiotensin Converting Enzyme-like Protein, Angiotensin I Converting Enzyme (Peptidyl Dipeptidase                        |
| Artikelnummer            | USB-A2295-02R3-PE                                                                                                                                                                                                                                             |
| Hersteller Artikelnummer | A2295-02R3-PE                                                                                                                                                                                                                                                 |
| Alternativnummer         | USB-A2295-02R3-PE-100                                                                                                                                                                                                                                         |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | Synthetic peptide corresponding to aa788-805 of human ACE2.                                                                                                                                                                                                   |
| Produktbeschreibung      | Angiotensin-converting enzyme 2 (ACE2) plays a central role in vascular, renal, and myocardial physiology. In contrast to its homolog ACE, ACE2 expression is restricted to heart, kidney, and testis. Recently, ACE2 has also been shown to be a function... |
| NCBI                     | <a href="#">068576</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |

|              |                                                                                                                               |
|--------------|-------------------------------------------------------------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2. No preservative added. No stabilizing proteins added. Labeled with R-Phycoerythrin (PE). |
