| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Goat                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Immunogen                | A synthetic peptide from the C-terminus of aa-QTKRNPNTKAQE.                                                                                                                                                                                                   |
| Produktbeschreibung      | Applications: Suitable for use in ELISA and Western Blot. Other applications not tested. Recommended Dilution: Peptide ELISA: 1:32,000. Western Blot: 0.03ug/ml. A band is detected at ~48kD band in Human Bone Marrow lysates. Optimal dilutions to be de... |
| NCBI                     | <a href="#">982279</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by affinity chromatography.                                                                                                                                                                                                                          |
| Formulierung             | Supplied as a liquid in Tris saline, pH 7.2, 0.5% BSA, 0.02% sodium azide.                                                                                                                                                                                    |
